Product Release

OEM releases Vapor Domes

Combination Rough-In Kit / Vapor Dome / Back Box

3-in-1 Device

- Inexpensive
- Versatile
- Mounting straps span 24" members
- Dome/mounting flange slides along straps for positioning at any point between members. Substantial friction holds dome fast.
- Wire inlet for easy wire location
- Shields speaker from insulation
- Wide flange for restoration of vapor integrity

Models:

VPD-5	for 5 ¼" round
VPD-6	for 6 ½" round
VPD-8	for 8" round
VPD-82	for 8" rectangular

Available September 2003
